MESSAGE FROM OUR CEO

“ We cannot always build the future for our Youth, but we can build our Youth for the Future” - Franklin Delano Roosevelt

I feel privileged to have had the opportunity to lead Big Brothers Big Sisters of North and West Niagara into our new strategic direction by employing our new Theory of Change aimed at building thriving communities by empowering lives through mentorship in 2019. While we have an enduring legacy of success as a critical intervention for kids facing adversity, we have spent the past year validating this through evidence gathering and solid research supporting the positive outcomes achieved from participation in our programs.

We believe in this strategic change. It changes how we speak about our work and honours its value over the past 83 years as well as positions ourselves as the Essential Service that we are for the children and youth of Niagara.

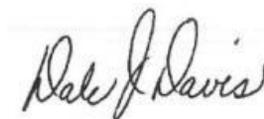

Our team has invested a lot of time and energy to better understand the emotional and psychological impact on a child when they do not have a positive caring adult in their life as we KNOW that it is the key to a child's thriving success.

It is our new mandate to advocate for mentorship as an essential service for kids in vulnerable circumstances and Big Brothers Big Sisters of North and West Niagara is the leader in this field. Through mentorship we facilitate intentional relationships that provide guidance, new life experiences and intergenerational wisdom that are essential for positive child development.

We believe that every child has the right to thrive and we know that our Mentoring programs and our kind and caring volunteers defend the kids whose potential is at risk.

Thanks to everyone in our communities who are an important part of our BBBSnwn family, for igniting the power and potential in our Littles. They will need more adults to stand up and let them know they are truly worth investing in.

Mentoring Matters!

MESSAGE FROM OUR BOARD PRESIDENT

"Mission, Vision and Identity marks the 2019 year for Big Sisters Big Sisters of North and West Niagara"

As I reflect on 2019, I find myself in awe of the work that was accomplished by the Team and Board Members; so easily we can forget as we focus on today. This team worked diligently on learning and development throughout the year, working on our key committees to address Branding, Building improvements, Leadership Development, Governance, Finance and Strategic Development. We were fortunate to have two members of the Executive Committee participate in the National Convention to learn first hand about the unveiling of the new Nation-wide Branding, Vision, Mission and Theory of Change. The team worked strategically to roll out the new Marketing assets with great success. It took one year to create and update numerous policies, including those surrounding Risk Management. Leadership development followed with further training on Crisis Management. We invited in a key agency partner to focus on Risk Management training and welcomed a Leadership Coach to host an amazing day on mindset and managing expectations as we develop a new strategic plan.

"All young people realize their full potential" is the New Vision of BBBS; however, our board also continue to provide time, resources and expertise to realize their full potential in support of a movement that we all share a passion. I continue to be proud of the entire group. Our team accomplished all this while welcoming two new Board Directors in 2019, fulfilling roles in our signature fundraising campaigns and fulfilling our year's transition plan with the expansion of our service delivery area.

As we planned and moved into 2020, we were able to secure the resources to provide additional leadership development for both team and board. It is critical to provide such opportunities of personal growth for the professionals working within the agency to provide the best possible service to our families and volunteers. Mentorship is evolving to meet the needs of the ever-changing family dynamic and we wish to ensure that BBBS remains in the forefront of the charitable sector. While some initiatives have been put on hold or deferred to 2020, I wish to assure the community that BBBS remains strong. We have kept a core team in place to fulfill the needs of our community, creating and adapting to new methods of mentorship, match monitoring, and continues to build brand awareness with innovative fundraising initiatives. We look forward to the needed support of our local businesses and our national and community partners to ensure our continued success. Please know we can't do it without you! I encourage everyone to become a Big Believer at www.bigbelievers.ca

*With Gratitude,
Michelle Miller, Board President*

In 2019 we formulated a theory of change with support from our fellow BBBS agencies and the Search Institute

OUR VISION

All young people realize their full potential

WHO WE ARE

Caring Relationships are More Important Than Ever

Although much has changed over time, our commitment to mentoring youth has not. Since Judge Stanbury opened our doors in 1937, Big Brothers Big Sisters of North and West Niagara (BBBSnwn) has continued providing our life-changing mentorship programs FREE of charge to the young people of Niagara, and their families.

Many children and youth in Niagara who struggle with societal barriers and face adversities in their lives come through our doors every day, and we're here to provide them with consistent, quality support. At BBBSnwn, we are facilitating and building a relationship, between the mentor and young person, that expresses care, challenges growth, provides support, shares power, and expands possibilities. Mentors teach by example and make an invaluable difference to young people. With the support of a caring mentor, these risks can be reduced, or even avoided, and youth can reach their full potential.

The goal is for young people to grow into amazing adults, ready to lead our future generations. Witnessing the transformation of a young person into a confident, concerned and motivated adult is truly remarkable. Ushering them into adulthood, seeing them grow into successful, responsible members of the community and society at large is even more satisfying. Proudly, it's something our staff, volunteers, and partners, help make happen every day.

83 YEARS STRONG

AND GROWING STRONGER

ACROSS NORTH AND WEST NIAGARA

FRESH LOOK NEW BEGINNINGS

Igniting Power and Potential Across Niagara

A lot has happened for Big Brothers Big Sisters of North and West Niagara in 2019!

Gone are the days of purple branding and comical remarks on the logo (we've heard some hilarious interpretations over the years!) As of September 18, 2019, the Big Brothers Big Sisters brand has become bolder, brighter, and all around far more representative of the youth being served by our agency. The new branding is exactly the change we needed to reach a wider audience.

Old Logo

With the new branding, there is a new call to action for members of our community to be a part of something BIGGER, a movement to prove how critical relationships are for youth mental health and wellbeing. Our goal is for more people, more volunteers, and more donors to join the mentoring movement and create that spark for young people to reach their full potential as adults.

New Logo

"Mentoring is an essential service, impacting childhood brain development and creating positive cognitive, education, employment, and health outcomes. Our modernization is meant to engage a new wave of volunteers and donors and give them an opportunity to make a true difference in the world, to change two lives: their own and the life of a young person."

- W. Matthew Chater, President of BBBS Canada

THE START OF A MOVEMENT

On September 18, 2020 our staff, matches, and community supporters joined together to help make a difference, and spread the message far and wide, that we are BIGGER TOGETHER!

WE CHANGE LIVES

Potential. It exists in every kid. Yet many children and youth struggle with societal barriers and face adversities that have negative impacts such as poverty, family instability, and identity-based discrimination.

PUTTING IN THE HEARTWORK

Mentoring is an important way to give youth experience with these essential back-and-forth relationships, developing them into healthy young people better able to deal with and overcome life's adversities.

We have a comprehensive infrastructure for supporting mentorship partnerships: detailed legal screening of mentors to ensure safe participation; a broad network of professional staff supporting mentors and volunteers; systems for selecting, approving and supporting volunteers; referring families to agencies that provide other services if required for the mentee and their family.

"I just wanted to touch base and tell you how happy my daughter Emily and I are with the Big Sister, Clara! She is so kind and sweet and such a great match for Emily. They have so much in common together and Emily has really opened up since she has been spending time with Clara. We already see such a positive change in the way Emily interacts. I wanted to thank you all there for what an amazing job you do for these kids."

OUR FEATURED PROGRAMS

75% FEMALE VOLUNTEERS

25% MALE VOLUNTEERS

The **Traditional Big Brothers and Big Sisters mentoring programs** provide youth between ages 6-16 for girls, and 7-16 for boys, with a role model to talk to and share the experiences of growing up with. Through regular outings, a relationship is developed between the mentor and the mentee built on trust and common interests, and is supported by our experienced case-workers. The Big Sisters mentoring program usually requires two regularly scheduled outings a month of several hours each and a minimum of a one year commitment.

The **In-School mentoring program** provides youth from grades 1-8 with a role model and a friend to talk to and share the experiences of growing up within school grounds. For one hour a week, mentors meet with their mentee and engage in activities such as board games, crafts or just hang out on school grounds.

Go Girls! Healthy Bodies, Healthy Minds is a mentor-lead, seven session program for girls between ages 10-14 that incorporates fun, educational games and activities designed to stimulate self-reflection and group discussion. Each session addresses the topics of active living, balanced eating, and feeling good.

Game On! Eat Smart, Play Smart, Live Smart is a 7-week group mentoring program for boys between ages 10-14. Through non-traditional physical activities, complemented with healthy eating support, participants are engaged in life skills, communication, and emotional health discussions designed to engage participants in the pursuit of life-long healthy lifestyles.

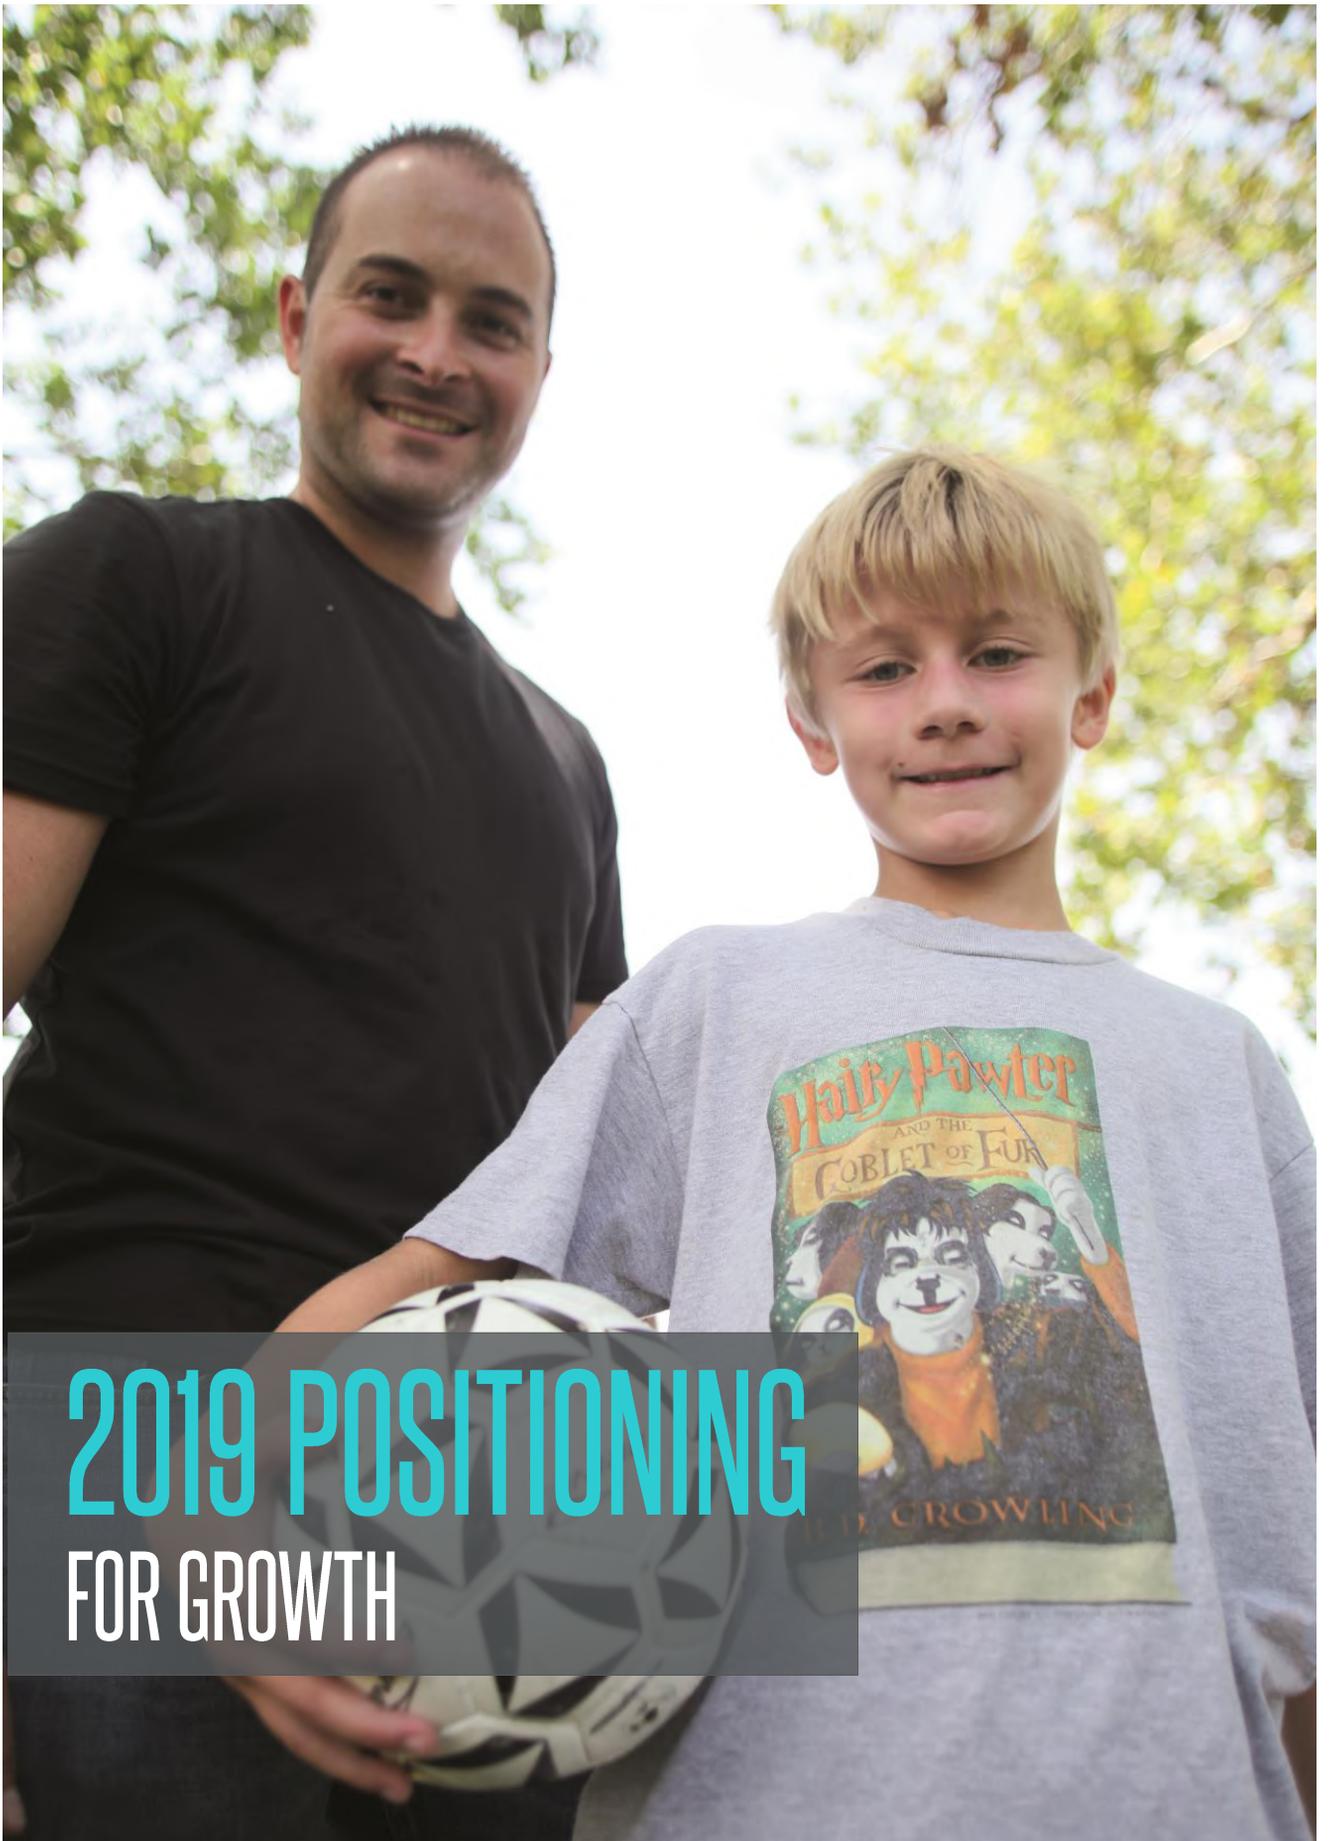

"I believe this is a beneficial program for the mentees. They are able to talk about topics, in a safe environment, they may usually feeling uncomfortable sharing."

MAKING AN IMPACT

Mentees and mentors alike benefit from these professionally supported relationships. When you're there for a young person as they grow up, you learn just as much as they do.

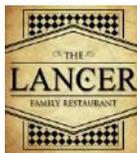

MATCH
ENRICHMENT

MORE THAN MENTORING

Thank you to our AMAZING Community Discount Partners

Because of your incredible discounts and promotions, our matches were able to spend time together enjoying various activities throughout our region! Our Littles may not have experienced these amazing adventures without your help and generous support – Thank You!

MAKING MENTOR MOMENTS

A grand total of **789 sport and event tickets** were generously donated by local businesses and community members for our matches to enjoy new opportunities and a FUN night out!

MATCH EVENTS

CELEBRATING AS ONE: MATCH CHRISTMAS PARTY

We maxed out the hall at Coppola's Ristorante with 74 of our amazing matches and waitlist youth. Thank you to our board members for pairing up with our waitlist children as your date for the night. They had a SUPER fun evening - playing games and singing with our BBBSnwn family and Santa!

TIS' THE SEASON: CHRISTMAS BASKET PROGRAM

Shop til' we drop – because everyone deserves a delicious hot turkey meal and presents under the tree at Christmas. In 2019, our amazing community members came together and helped 29 of our families have the holiday they deserve. Special shout out to Niagara Home Builders Association, and to P.L Light Systems for donating over \$1000 worth of goods- WOW!

CASTIN' THE REEL: KIDS OUT FISHING EVENT

We had an amazing turnout with 52 matches and waitlist youth who had a blast adventuring the outdoors. Thank you, Kids Out Fishing, for providing this unforgettable experience and kids fishing rods for free!

WATER SPORT FUN: NIAGARA ROWING SCHOOL

Our team and board members had a FUN day out on the water in the beautiful Jordan Harbour, experiencing canoeing, paddleboarding, dragon boating and more with 18 Littles and their families. The day was filled with fun, laughter, great food and positive energy.

FOOD AND SUNSHINE: SPRING BBQ PICNIC

The birds and the bees don't get in the way of our Spring Picnic! Staff treated our In-School Mentoring matches to some sun, fun, and laughter over Spring Break. Littles got to experience some bonding time outside of the classroom doing crafts, games and of course...food!

2019 EVENT HIGHLIGHTS

BIG STRIKE! TIM HORTONS BOWL FOR KIDS SAKE

3 Days – 100 teams – 93 Youth Off the Waitlist

With an analogous drop in fundraising revenue in 2018, 2019's Tim Hortons® Bowl For Kids' Sake campaign felt like a homecoming for our agency. Despite the number of competitive events during this period; a strategic return to 'boots on the ground' team recruitment coupled with a bold move to an online crowdfunding platform- Big Brothers Big Sisters of North and West Niagara was at the forefront of winter fundraising in the Niagara Region.

We would be remiss if we didn't recognize and thank our long-term presenting sponsor and community champion; Tim Hortons® Canada. With over a decade of continued event sponsorship support for this annual campaign; their financial contribution is most felt in the countless number of children that have been subsequently matched with a supportive BIG Brother or Sister as a result of their support!

OUR BIGGEST YEAR YET! 12TH ANNUAL WINE WOMEN AND STYLE

Watch our Go Girls! Grow

As a legacy event in Niagara, our annual Wine, Women and Style event marks the beginning of spring and new beginnings for the young girls in our Go Girls! program.

Hosted annually at Queen's Landing Hotel, a Vintage Hotel Property; this highly sought-after event is also the pivotal fundraising initiative for our Go Girls! program. Thanks to the overwhelming support of the Niagara wine community, outstanding corporate sponsors and a bighearted donation from **Laura McCain**; Big Brothers Big Sister of North and West Niagara has been to increase the number of schools in which our Go Girls! program as well as deliver preventative, interception for a younger demographic of girls in grades five and six.

If it was not for the kindness, generosity and support of Vintage Hotels; Big Brothers Big Sisters of North and West Niagara would not be in a position to host our annual Wine, Women and Style event. Since its inception in 2007, Vintage Hotels has charitably contributed **over \$312,000** in goods and services to this fundraising initiative!

As a result of their 12-year contribution, our agency has been able to foster healthy minds, bodies and souls for hundreds young girls through group mentorship to our communities most vulnerable youth. For this indelible impact - we are forever grateful!

BIG BELIEVERS

MONTHLY DONOR PROGRAM

WHEN YOU BELIEVE – THEY ACHIEVE

Our **BIG Believers** are a passionate and determined group of community leaders on a mission to ensure that every child realizes their full potential. They are people just like you, from more every walk of life, giving anything they can to enable life-changing mentoring relationships that ignite the power and potential of all young people in our community.

BIG

BELIEVERS

MONTHLY DONOR PROGRAM

When you make a monthly donation to BBBSnwn, you are making a meaningful difference in the lives of at-risk youth through our well known and highly respected mentoring programs. Believing in our cause and spreading your generosity all year round allows the organization to have a reliable stream of funding to ensure our organization continues to grow, thrive, keep our services FREE of charge to young people with mentors who will change their lives and help them reach their full potential.

"Creating a monthly donor program was in my mind for awhile. I reflected on different ways to encourage our community to invest in Mentorship and its preventative value to the young people of Niagara. At BBBSnwn we have a strong belief that every child should have the opportunity to reach their full potential as individuals and citizens. So many youth do not believe in themselves, do not believe their life will get better, or that their hopes and dreams are attainable. I wanted a giving program that reflected our beliefs, that was easy for our community to get involved and invest in our future leaders at the same time...then BIG Believers was born." – Dale J. Davis, CEO of BBBSnwn

CHANGING LIVES

SHE BELIEVES

"I, like many women, struggled during my adolescence. Feeling lost and alone with low self-esteem; I was in search of someone, anyone to show they cared. I cannot imagine how those years would have changed if there was a place for support like Big Brothers Big Sisters. You can bet my path would have been very different. By being a Big Believer - I can do my part to change a child's future. My monthly donation means, I have the opportunity to better the lives of children in need and encourage to become the BEST versions of themselves they can be." – Nancy Kennedy, Big Believer & Wine, Women & Style Chair

"When I joined the program I wasn't sure how I'd be able to benefit from it, but looking back today I realize the positive effect it had. I was able to do activities with my match that I wouldn't otherwise have been able to do with my mother. My Big Brother was someone I could discuss my issues and concerns with, and always get an unbiased and constructive opinion from. He really encouraged me to pursue my quest for further education, and I was able to work on my social skills and enhance my self confidence." – **Little Brother, Mikey**

Meet Trent: 9 years old

Waiting 1 year, 10 months.

Trent is an only-child in a single parent household. He has a contagious energy, is fond of 'silly' jokes and joins each Agency event hoping his Big Brother will be there waiting to meet.

Meet Farrah: 11 years old

Waiting 8 months

Farrah is down-to-earth, kind, creative, and versatile. She's hoping for a fun and adventurous Big Sister to be a friendly companion as her vision difficulties limits her access to peers outside of school.

Meet Zahir: 10 years old

Waiting 4 months.

Zahir loves comic books, action movies, playing with lego, and being active. Mom is looking for an outgoing Big Brother to boost his confidence & social skills.

CHANGING FAMILY LIVES

Davin (Little Brother) and Melissa (Mother)

"I may be a CEO but the letters after my name should be WSMOHCK (Working Single Mom of Happy Confident Kid). And let me tell you... I worked really hard to earn that, but I also had help."

Respectfully Submitted by Melissa, Mother of Little Brother Davin

"Single motherhood comes with a unique set of emotional challenges. Financial worries, the stress of making decisions alone and doing everything yourself but never really knowing if you're doing a good job. Everyone always told me, "a boy needs his father to become a good man", but Davin's father was absent from the beginning.

Davin faced many struggles growing up; difficulty making friends, dealing with bullying for multiple years, severe bouts of anxiety where he couldn't eat and was physically sick every single day before getting on the bus in tears. Imagine starting every morning feeling like the worst parent in the world, helpless to the suffering of your child. Over and over, I tried to get him help but with such long wait-times for any medical or mental health services, we could never get help when we needed it.

I knew something was missing from Davin's life. Something critical to his happiness. Despite giving him all the love and support we could, he still felt alone, worried and scared. I can't even count the number of times I've heard the words, "Mommy, I feel sad", but he could never explain why.

I heard about the Big Brothers Big Sisters mentoring program...I wondered if he would qualify or if this would just be one more thing we'd be turned away from. To my surprise, Big Brothers Big Sisters of North and West Niagara (BBBSnwn) made an appointment right away and welcomed us both; Interviewing us extensively, to get a good sense of what Davin needed. Finally, someone was helping.

After a two year wait, Davin was matched with Charles. I was both excited and scared that it was finally happening. I worried whether this would be yet another person that would fade from Davin's life.

WELCOME TO THE FAMILY CHARLES

I can recall the day we met Charles – we walked into see this tall bald guy with a big bushy Mountain Man beard, cut-off cargo shorts and tattoos. I remember thinking to myself, “Ohh I don’t know about this...”, but clearly BBBSnwn did. Charles and Davin immediately interacted as if they had known each other for years. In their first few visits they discovered how similar their backgrounds were and all the things and experiences they had in common, and it was in those moments that Davin knew he had found someone who understood him.

Davin (Little Brother) and Charles (Big Brother)

I know that Charles’ example is what Davin emulates and I couldn’t have asked for anyone better as his role model. In their four years together Charles has given Davin new experiences, support, love, attention, and advice; and Davin knows that Charles is someone he can confide in and trust to be there for him. Their relationship is genuine and both Charles and Davin say they fully expect their friendship to last for the rest of their lives. It breaks my heart to think of where Davin might be today had he not found his Big Brother. At best, he would be a lonely, isolated teen with no friends and no self-esteem, playing video games in his room, and likely on medication for depression and anxiety.

Instead, he has good friends and graduated from grade 8 with good grades and winning the schools citizenship award. He is full of compassion and self-confidence, and is even looking forward to the adventures that high school will bring. He is passionate about being a spokesperson for BBBSnwn and when he is old enough he wants to be a Big Brother himself so that he can change another boy’s life the way Charles changed his, and I could not be prouder.

I’m sure that any of you who are parents have explained the difference to your children about needs and wants. From my perspective BBBSnwn isn’t a want as some might think ... it IS A NEED. The service BBBSnwn provides is essential to ensure our kids get on the right track now, so they never become another tragedy or statistic and instead grow to become positive, productive, supportive members of our community.

I count my blessings every day and am so thankful that we found BBBSnwn. They facilitated, nurtured and continue to support the amazing match between Charles and Davin, and together as organization, parent, mentor and child, we changed a life. Well... three lives, as Charles’ and I will forever be changed as well.

Big Brothers Big Sisters of North and West Niagara really makes a different to the entire family.

- Respectfully Submitted by Melissa, Mother of Little Brother Davin

CELEBRATING OUR 'BIG' VOLUNTEERS

BIG Cheers to our Volunteers!

Let's all take a moment...and give a BIG grin from ear to ear and round of applause to our AMAZING volunteer mentors. Our team at BBBSnwn are thankful beyond words for their efforts to strengthen their bond and help youth flourish. It can be very tough for young people to navigate through this world, but YOU, our volunteers, make the journey for vulnerable youth more positive, and for that we are forever grateful right now, and forever. Happy Anniversary to our 2, 5, and 10 year volunteers!

COMMUNITY TESTIMONIALS

Being a single mother, there are limits to what you can teach and share with a young boy. Having a male role model in his life that my son feels safe and comfortable with, means the world to me. This program has allowed my son to open up and find the confidence he needs to be himself and to continue to discover who he is with out the fear of being judged or criticized. The constant interest and support my sons Big Brother provides has filled the void my son was missing for the first 8 years of his life. I am forever grateful to the program and the volunteers for everything that my son has experienced and learned from all this program has to offer. I truly wish this experience for all children who are missing this most precious piece of their childhood. God bless these treasures!" - **Mother of Little Brother**

"I believe this is a beneficial program for the mentees. They are able to talk about topics they may usually feel uncomfortable sharing in a safe environment, which is important. One example of this is when we were in the middle of a self-esteem activity that involved students answering questions on a rolling dice, based on the number they get. The girls seemed to avoid questions asking, "What is your favourite thing about yourself?" or "What do you love about yourself?" In the moment, we let the girl re-roll the dice until they got a question they wanted to answer. But, after the activity, my partner and I decided it would be important to address why they were avoiding self-loving questions. We decided to ask everyone to share 1 thing they really like about themselves and why. My partner, the [youth] counselor, and I went first. After seeing that there is nothing to be shy about, in terms of loving yourself, they begin to open up and answer the question. This is one example that shows how this program is beneficial to young girls learning to love themselves". - **Go Girls! Mentor, Natalie**

"I have been working as a Youth Counsellor for the District School Board of Niagara for 31 years and for many of those years I have been fortunate enough to facilitate appropriate referrals for the In school mentor program. This is a resource that I have come to rely on to support our students who could benefit from 1:1 attention from a caring adult. What makes these matches work so well is the good work that The Big Brother and Big Sister staff do in training and matching mentors with students as well as the follow up they do during the course of the match. I have witnessed the return of mentors for a second and third year and the impact they have had is life altering in the most positive way. I have seen attendance and behaviour improve a great deal as well as a child's ability to problem solve and manage with their peers. Thank you to BBBS for all that you do to support the children in my schools." - **School Liaison, Youth Counsellor**

To the Members of
Big Brothers Big Sisters of North & West Niagara

Qualified opinion

We have audited the financial statements of Big Brothers Big Sisters of North & West Niagara, which comprise the statement of financial position as at December 31, 2019, and the statements of revenues, expenses and net assets and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the financial statements present fairly, in all material respects, the financial position of Big Brothers Big Sisters of North & West Niagara as at December 31, 2019 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for qualified opinion

In common with many not-for-profit organizations, the association derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the association. Therefore, we were not able to determine whether any adjustments might be necessary to donations and special events revenue, excess (deficiency) of revenues over expenses, and cash flows from operations for the years ended December 31, 2019 and 2018, current assets as at December 31, 2019 and 2018, and net assets as at January 1 and December 31 for both the 2019 and 2018 years. Our audit opinion on the financial statements for the year ended December 31, 2018 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the

AUDITOR'S REPORT

association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

As required by Section 96(2) of the Corporations Act, we report that, in our opinion, the accounting principles have been applied on a basis consistent with that of the preceding year.
