

# CHILD AND YOUTH ENROLLMENT

## INTAKE STEPS

### Step 1

Would your child/youth benefit from a caring and supportive mentor? Sign up for an orientation session.

### Step 2

You and your child/youth will go through the Family Intake process, including an interview and child safety training session.

### Step 3

Following successful intake completion, your child will be placed into the Big Bunch program until a suitable mentor is identified. Your child and family will continue to receive agency support while waiting for a 'Big'.

### Step 4

When the right match is identified, your child will officially meet their Big!

### Step 5

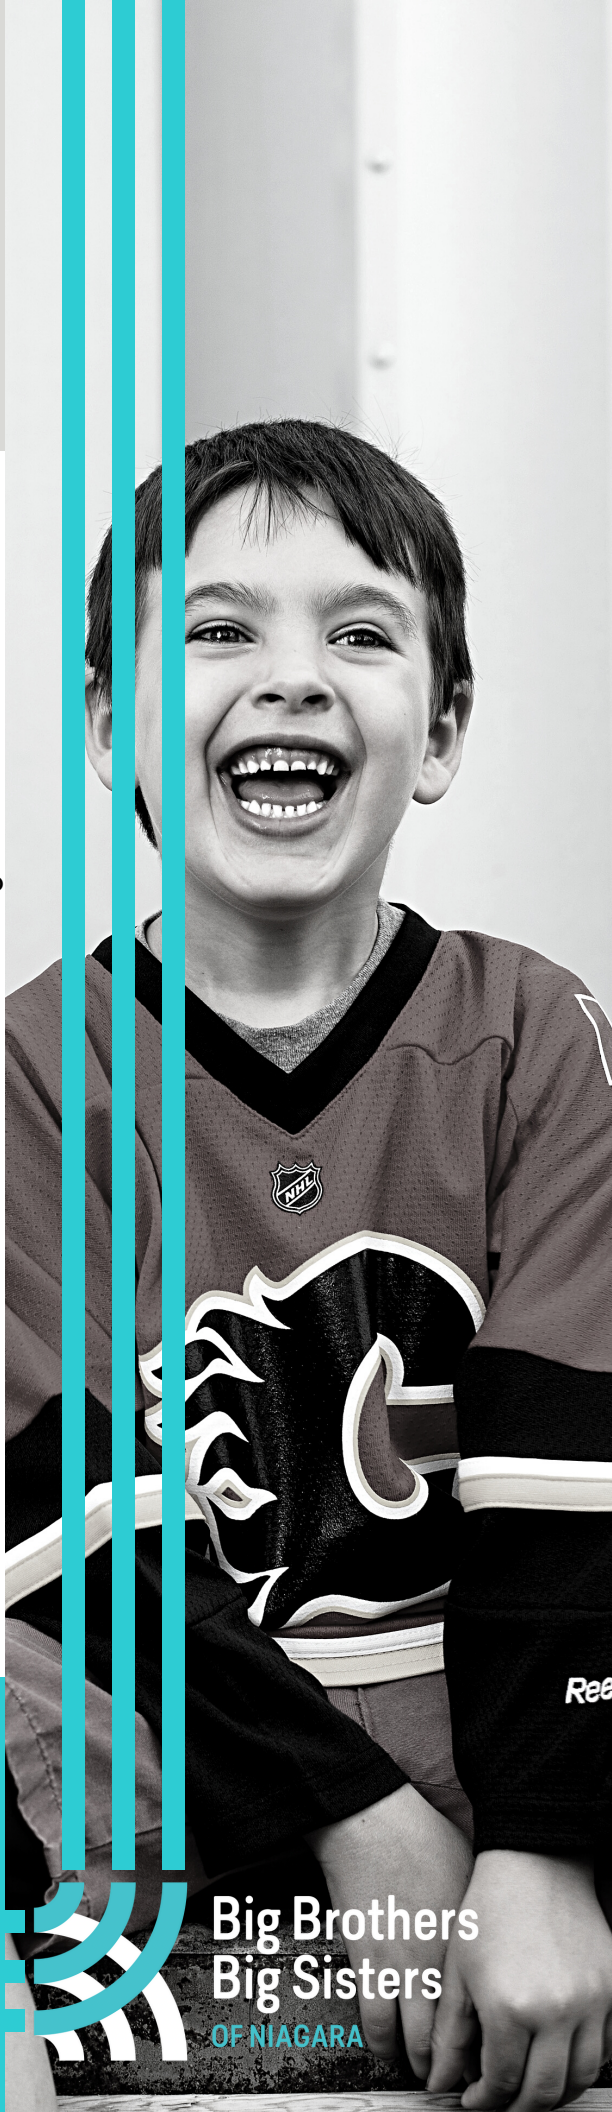

The volunteer, child/youth and parent/guardian will receive ongoing support and check-ins from one of our professional Mentoring Coordinators.

## BIG BUNCH

Big Brothers Big Sisters has a longstanding partnership with Ridley College in which during the school year, grade 11 and 12 students from Ridley College engage with Big Bunch children who are waiting for their Big by playing games, creating craft projects and other special activities. Events are typically on evenings and weekends and are offered monthly.
